

Welcome to the e-platform Ag-Press.eu!

This tool is meant to serve you and other European journalists interested in finding the most recent and up to date information from the EU institutions related to agriculture and rural development. It is managed by the Press & Media team in DG AGRI who adds and updates information on **daily basis** and sends all registered members an electronic mail ("Weekly Update") every Thursday afternoon. This mail highlights the week's most recent news and items.

This guide will take you through the different sections of the website and explain how you can use them. (What is **highlighted** is where you can add input to the site yourself!)

The "**drop-down**" menu on the top covers all the content of the website.

➤ **ABOUT**

categories "meet the farmer" and "other stories" are for you, the "network activities" is where we announce upcoming trips and events that we organise for Ag-Press members!

MY PROFILE takes you to the information submitted when registering. You can at any time update and modify this information.

PRINT MATERIAL, such as publications, studies, reports, speeches etc.

- **AGRI MARKETS & STATISTICS** provides you with the links to the latest evolution on the different agri-markets through the specific DG AGRI DASHBOARDS on Milk, Cereals, Meat, Fruits, Wine etc.

The **six "blocks"** on the homepage shows you the **most recent items for each section** and offers you a button/direct link that will take you to the full list of i.e. news or previous posts.
